

#ApproApp is proud to have joined with #Abhyuday, we will together build the future of #YoungIndia with effective #partnership and unique #collaboration.

ApproApp and Abhyuday, the social body of IIT Bombay with a vision to empower students are about to sail the seas of success with a social partnership for building the future of Digital India on the foundation of empowerment of Young India.

The social partnership results in providing 40+ certified internships to college students from all over the country to work with us. The unique opportunity delivers amazing hands on experience in various fields by fully practical approach of on-job training and development curriculum.

Abhyuday is running an initiative, boasted as, College Representative Programme (CR). This programme aims at forming teams of high-spirited and self-motivated college students from campuses pan-India.
